

Healingherbs™

The flower essences of Dr. Edward Bach

"Healing Herbs was established in 1988 to prepare flower remedies...precisely according to the original direction of Dr. Edward Bach. We are a small company where people work together...in the Herefordshire countryside in harmony with our surroundings. We put the living forces of Nature at the heart of our production process."
— Julian Barnard

- More affordable than Nelson Bach line
- Many practitioners & customers prefer Healingherbs quality
- Five-Flower Formula™ competes with best-seller Rescue Remedy®
- Mother essences prepared by renowned herbalist, author and teacher, Julian Barnard, for three decades the world's leading expert on Dr. Bach's life and work
- Essences prepared in the rural west of England, where Dr. Bach started his work, in a family-owned cottage industry
- Essences prepared according to Dr. Bach's original methods, not as homeopathic remedies
- Certified Biodynamic® and Organic
- FES is the exclusive North American distributor and licensed bottler
